Susana Mendoza Wins Support of Two More Police Organizations

Chicago, January 13, 2011 -- State Representative Susana Mendoza has earned the endorsement of the [Police Benevolent & Protective Association](#) (PB&PA) and their largest local the [Chicago Police Sergeants' Association](#) (CPSA) in her campaign for City Clerk.

"Representative Mendoza was the clear choice for City Clerk. It was apparent from her record of fighting for law enforcement officials in Springfield, that she has a commitment to community safety and supporting law enforcement officials" said Sergeant Robert Kirchner, President of the Chicago Police Sergeants Association. "We are proud to give our endorsement to Susana Mendoza" said Sergeant Kirchner.

The CPSA represents over 2500 active and retired sergeants and their families. The PB&PA represents over 7,000 active and over 3,500 retired members across the state. The mission of the CPSA is to promote a social as well as a fraternal organization; provide assistance to all members and their families in their time of need; and promote the morale and welfare for the collective good of all Sergeants of the Chicago Police Department.

"I am honored to receive the endorsement of the Police Benevolent and Protective Association and the Chicago Police Sergeants Association" said Representative Mendoza. "Working hard for members of law enforcement has always been a priority for me. I plan to continue working hard for the Sergeants and the rest of the police when I am City Clerk" Mendoza said.
